

THE WILLOW

2,639 SF | 3 En-Suite Bedrooms + Powder Room | Single-Level Floor Plan | 3-Car Oversized Garage

Our newest addition, The Willow, is a single-level floor plan with ample garage space in the oversized, 3-car garage. The Willow model features an open concept floor plan and an exceptionally efficient use of space. This home consists of 2,639 square feet of interior living space, three en-suite bedrooms and a powder room, a gourmet kitchen with pantry, 12-foot ceilings through the kitchen and great room, exceptional master suite with spacious bathroom and closet. The Willow also offers ample outdoor living, and panoramic views throughout.
